

Storm in a Bottle

Materials

- Plastic bottles
- Dishwashing liquid
- Blue food coloring
- Salt
- Glue
- Paper with memory verse on it/ or write memory verse onto masking tape with permanent marker to tape on bottles
- Permanent marker
- Masking Tape
- Paper towels for any clean up

Instructions

- Fill the bottles two-thirds full of water.
- Add one teaspoon of salt, a drop of dishwashing liquid and two drops of blue food coloring.
- Glue the lid of the bottle.
- Shake. The mixture will form a funnel like a storm.
- Glue/tape memory verse on side of bottle. Or write directly onto masking tape with permanent marker and then tape onto the bottle.
