

Praying Hands

Materials

- Construction paper
- Scissors
- Markers/crayons
- Stickers
- Glue/glue sticks

Instructions

- Each student should trace both hands. The hands should have their fingers touching when they are traced in the style of praying hands.
- Cut out the hands. Glue them together. It is OK if they are uneven.
- Decorate the hands with stickers or pictures to remind students how they can pray. Or, decorate with stickers/pictures to remind them of the four different types of prayer.
