

# Zeke's Help

## Group Prayer Activity (Preschool)

### Supplies needed:

- Construction Paper
- Colors

### Preparation:

Provide each student with a piece of construction paper and enough colors to share.

### Activity:

In the story, Zeke and Tai-Shan help their friend, Tancho. Have you ever helped a friend? Perhaps you have helped your mom clean up a room or put away dishes. Maybe you shared a toy with your brother or sister when they felt sad.

Draw a picture of a time when you have helped a friend or family member do something.

After you finish drawing your picture, pray and ask God to help show you more ways that you can help others every day.
